**CHENANGO**

*In the Center of it All - 'Everything Chenango'*

Welcome to Chenango County! Like the rest of Central New York, we all look forward to the change of each season, and after the long, cold winter, spring is an unparalleled favorite. The warmer weather allows us to venture into the great outdoors and enjoy the sunshine and a myriad of activities. Revel in a family adventure, explore the trail systems, and travel the picturesque roads to take in our beautiful landscape. Visit our historic spots and take respite in quiet little pubs and restaurants.

What makes us different? The outstanding beauty of our trails, the area lakes and streams, our small-town rural charm, the numerous parks, and most of all - the chance for relaxation no matter what option you choose.

Another of our well-deserved great outdoor assets is Bowman Lake State Park. Many campers have described Bowman Lake as a camper's paradise. A rural, natural setting in a section of New York State steeped in folklore and historic tradition. The 35-acre lake, located in the center of the park, is just 16 feet deep at its deepest point. Today, with 11,000 acres of State Department of Environmental Conservation forestland bordering the park, Bowman Lake retains a unique and special wilderness aspect for all to enjoy.

Considered by most as a family-fun vacation spot, campsites are gobbled up fast, and campers come from all over New York State and beyond to spend time in the woodland atmosphere and the remote 660 acres of the large, shaded campsites nestled beneath the lofty trees.

Want more of our outdoors? Another outdoor destination is The Greenway River Trails that started out as the "City of Norwich Greenbelt Park Project". This was envisioned as a public, multi-use, run-walk-bike trail system along the Chenango River within the city limits. We see it as a public destination with an overlook to sit, relax, watch the river, observe wildlife, and just enjoy the outdoors - right within the City of Norwich.

From the Greenway River Trails, the Greenway Conservancy group has moved to another location to expand a new outdoor arena that is in the making. What was previously coined as the "Stone Quarry" has now become a cherished recreational destination for hiking, biking, snowshoeing, cross-country skiing, mountain biking, exploration and storytelling by generations of Norwich children and families. The additional quarry property that was recently acquired by the group will form the centerpiece of a community forest and recreational area that will be open to the public. Paramount in making this initiative come alive are the miles of new trails for favorite outdoor activities and the wide-open spaces that will help to increase the resources that will be of value in our area and add to the economic impact of all of Chenango County.

For nearly a century, observers watched the forests of New York State from more than 100 fire towers perched atop the highest peaks, searching for the dangerous, telltale signs of forest fires. There were 19 fire towers in the Catskill region and 52 in the Adirondacks.

We are in DEC region 7 in Chenango County and the Berry Hill Fire Tower is located near McDonough State Forest here in Chenango County. Following the recent rehabilitation of Berry Hill fire tower, which included upgrades to enhance safety and accessibility, the tower is now open to the public year-round from sunrise to sunset. At an elevation of 1,960 feet, the fire tower is one of the highest points in Chenango County and the view stretches into the counties of Broome, Cortland, Delaware, Madison, Oneida, Onondaga, Otsego, and Tioga. We encourage you to pack a lunch, drink, and proper equipment and hike to a fire tower where the views are spectacular no matter what season you visit.

Prefer indoor activities? They also abound here, and we have the Northeast Classic Car

Museum, The Chenango County Historical Museum, art galleries, and our very own wineries and breweries that serve a myriad of craft brews and specialty wines. This summer we will be hosting our inaugural Wine, Beer, and Food Festival that is shaping up to be a top tourism activity in our area.

It's true we don't have amusement parks, casino's, sports stadiums, or an ocean view. What we do have is natural beauty, rivers, lakes, arts and theatre, museums, live music, hiking trails, wildlife and miles and miles of state land. We all need to take pride and some initiative in highlighting our communities. Together we have the power to steer the conversation, be positive about the amazing place we live in and what makes us unique and special. What hidden gems do you have in your backyard? Where do you go locally for a fun day out? When friends and family visit, where do you bring them? Those of us who live here every day take for granted the beauty and attractions all around us. We want everyone to know how privileged we are here in Chenango County.

For 'Everything Chenango' stop and get your tourism information at Commerce Chenango, 15 South Broad Street in Norwich during normal business hours or by calling 607-334-1400 or by going to the website – [www.chenangotourism.com](http://www.chenangotourism.com).

www.StoneQuarryHillArtPark

Stone Quarry Hill Art Park, one of the first outdoor sculpture parks in the country, sits atop a breathtaking rural landscape of upstate New York hills, meadows and forests. Tucked into these elements of natural beauty are Stone Quarry's heart: original, one-of-a-kind works of art. The Art Park serves a dual mission: preservation of the land, and to the creation and exhibition of sculpture, inspired by the relationship between art and nature. Sculptures are placed throughout the more than 100 acre site: in fields and woodlands, along hedgerows and trails and beside or even in ponds or gardens. Most are created especially for the Art Park, and many are designed to dissolve eventually back into nature. The park reflects the dynamism of both art and nature, as every exhibition brings new work and every season takes some away. The Art Park is open year-round, every day from dawn to dusk. It is located one mile east of Cazenovia, NY, off of U.S. Route 20. See the website for directions and lots of details on its art exhibitions and artists.

**OTSEGO EVENTS****JULY****July 3****Annual "We Love Our Lake" Decorated Boat Parade**

3:00 pm

Location: 3-Mile Point, Otsego Lake.

Plan to float your boat – rain or shine - in OLA's Annual "We Love Our Lake" Decorated Boat Parade. This years theme is "Our Glimmerglass Shines". All boats, large and small, are welcome – including antique or classic, human powered, wind powered, electric powered, jet powered, outboard powered, or inboard/outboard powered. We encourage you to decorate your boat. It can be unusually decorated, humorously decorated, patriotic theme decorated, joyful/party theme decorated, sports theme decorated, military theme decorated, etc. If you prefer, you do not even need to decorate your boat - just join in the parade and view the other boats. You can even join the parade at any time or anywhere along the route, especially for non-motorized boaters who might not want to travel the full route. If you are unable to float your boat, you can watch from shore at various points along the parade route. There are no fees, registration forms, rules, or regulations except travel slowly, stay in line, be courteous to other boaters, and practice social distancing. In the past, we have had over 50 boats participate in the parade. The parade is meant to be a fun filled family event for all boaters to celebrate our love for Otsego Lake.

### July 4 Independence Day Celebration

10:00 am - 5:00 pm  
Starting at noon, watch as the Declaration of Independence is read aloud on the Bump Tavern Green. Take part in the 13 celebratory toasts as our Founding Fathers did with lemonade made from an 1840's recipe. Sit for an old-fashioned tintype portrait (weather permitting, \$30 per 4 x 5 tintype). 19th-century children's games will be provided for family play on the Bump Tavern Green.  
During the event, museum artisans will demonstrate traditional blacksmithing, letterpress printing, and other trades throughout the day. At the print shop, you can pick up a copy of our 1840's lemonade recipe, printed on the museum's Liberty Job Press. Everyone can snack on cotton candy, ice cream, and slushies.  
At the Lippitt Farmstead, learn about life on the farm and delight in the baby animals at the Children's Barnyard.  
In the Main Barn, check out the new exhibition Growing Tomorrow's Farmers and our historic tool collection. You can also enjoy a ride on the Empire State Carousel, explore the Country Village, shop at Todd's General Store, and visit the famous Cardiff Giant. Sit on our tavern green while you enjoy grilled favorites from The Crossroads Café.  
The museum is open every day this summer from 10:00 a.m.-5:00 p.m. Admission: Adults and Juniors (ages 13-64): \$15.00; seniors (65+): \$12.50; youth (7-12): \$6.00; children (6 and under): free. The Farmers' Museum

### July 10-11 Junior Livestock Show

10:00 am - 5:00 pm  
The Junior Livestock Show brings together the best livestock and youth exhibitors from a nine-county region. In 2022, more than 160 youth handlers and 450 animals took part in the show. The event truly is a celebration of youth in agriculture as it tests the skills of youth handlers ages eight to eighteen who present animals (dairy cows, beef, swine, dairy goats, meat goats and sheep of various breeds) that they own, care for, and have prepared for competition. Since 1947, The Farmers' Museum has collaborated with the Cooperative Extension's 4-H program to produce the show. It is conducted in cooperation with Cornell Cooperative Extension County 4-H educators and clubs throughout central New York. On-site services are provided by the Leatherstocking Corporation. The show is sponsored in part by Chobani.
